Photographer

Profile

Highly-skilled independent photographer, specialising in private and commercial photo shoots. Confident collaborating with clients throughout the entire project, achieving excellent satisfaction levels. An excellent communicator who builds a natural rapport with clients.

Skills

Photography

- Successfully completed private photo shoots with 100+ satisfied clients
- Adjusted aperture, camera focus, and shutter speeds to achieve final shots
- Used visual and lighting techniques to enhance photography shoots

Photo Editing

- Used Adobe Creative Cloud to enhance and edit photographs
- Corrected colour vibrance and saturation while removing unwanted features

Excellent communication

- Undertook initial conversations with clients to understand each project
- Communicated with clients in the lead-up to the photo shoot
- Listened to feedback and made appropriate changes to final shots
